INFORMACIÓN DE PRODUCTO

Características
Chromed matt dual flush Eon11. Are only compatible with Eon System.

Garantía
Gala products are guaranteed against any manufacturing defects, from the date of purchase of the product, only if the installation has been carried out in accordance with Gala’s installation instructions and, applying the current legislation on electrical and sanitary appliances, by authorised staff. The guarantee period is of 5 years.

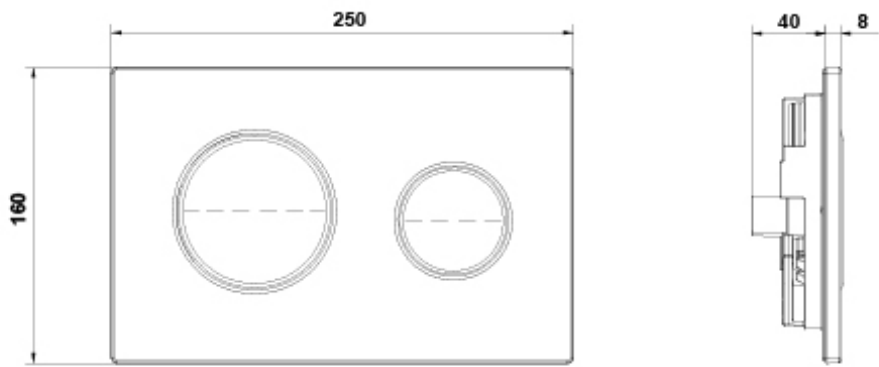

Instalación
Please check our product installation manuals.

Certificaciones
High quality is a constant at Gala in order to guarantee the technical and aesthetic features as well as the performance of our products. Please check our product quality certificates.

Mantenimiento
For periodical cleaning use a soft cloth and soap and water. Dry the push-button after cleaning. If you use cleaning products such as gels, liquid cleaners or anti-limescale products, always read the manufacturers’ instructions first. After using the products always rinse the push-button with clean water. Do not use abrasive products such as bio-alcohol, bleach, hydrochloric acid, ammonia, acetone or other similar products. Do not use aggressive scourers.
